Please list the name/recording artist of any important musical selections that you feel are essential to play during your wedding reception. We recommend no more than 15 requests. It is important to avoid programming the evening. It gives the Disc Jockey some latitude to 'play to the crowd' as well as playing specific requests that are made by your guests.

One of the questions that are asked most often is regarding gratuity. Gratuity is certainly welcome only if you are satisfied with the performance of your Disc Jockey.

The average tip ranges between \$30-\$100.

Thank you for your input. If you have any questions please don't hesitate to call Vince Croglia at (716) 668-5412 or 1-800-227-6380.
